Your Answer to Thoughtful Claims Handling

When claims occur, you can rely on UE for effective claims resolution. Our Cool Head, Warm Heart® approach is designed to address both the claimant's personal and emotional concerns and your institution's financial needs.

Our staff of resolutions professionals, together with select outside defense counsel, provide the individual attention each claim deserves. Through early case evaluation and litigation management, we help our members avoid the expense, time, emotion, and unpredictability of litigation.

We'll work to protect your interests in reaching a fair and equitable resolution of claims. And a senior resolutions officer is available 24/7 should a catastrophic event occur.

Our supplemental crisis response program, **ProResponse**®, provides members with expert guidance to recover from situations such as allegations of sexual misconduct or financial scandal, or death of a member of the educational community. The program is subject to terms and conditions.

We look forward to learning how we can help address your liability and risk management needs. For more information about UE, visit www.ue.org or contact your insurance broker.
