

UE at a Glance

Membership, Risk Management Resources, and Top Claims

Since our founding in 1987, our focus has been exclusively on education and finding new ways to meet the insurance coverage needs of our members. We provide risk transfer and a dedicated focus to risk management for educational institutions to help our members prevent future claims and manage future costs.

Risk Management

We offer a library of hundreds of practical, education-specific items. In 2022 we released 106 risk management resources including articles, online courses, podcasts, reports, checklists, and webinars.

Topics include:

- Alcohol and Substance Abuse
- Premises Safety
- Sexual Misconduct
- Student Mental Health
- Workplace Harassment Prevention

Also in 2022, we had **nearly 460,700** online course completions by employees and student learners.
