

RISK MANAGEMENT SOLUTIONS FOR HIGHER EDUCATION

# Empower Your Community to Address Critical Risks on Campus

Whether you're looking to mitigate pressing risks or need help implementing a customized online training strategy, Canopy Programs® by United Educators has the resources you need.

## Risk Management Blueprints

*Beneficial For: Risk Management, Human Resources, Student Affairs, Campus Security, and Other Risk Roles With Limited Resources*

The education risk landscape is constantly changing. Focusing your efforts on crucial risk topics is challenging even for experienced risk managers.

For guidance on how to confidently assess, plan, and implement risk strategies in key liability areas, use one of four blueprints our risk mitigation strategists created.

**Targeted Campus Violence**

**Third-Party Contracting**

**Workplace Harassment and Discrimination**

**Youth Protection**

### What's Included in a Blueprint?

Each blueprint gives you actionable, education-specific resources to help you decisively move through each stage of risk management. You will also get access to our team of expert risk management consultants who can provide practical guidance tailored to your needs.

**01**

#### Assess

Resources: claims studies, articles

**02**

#### Plan

Resources: checklists, how-to guides

**03**

#### Implement

Resources: online training, tabletop exercises

“I like working with UE because they truly try to understand the needs of higher education risk managers and they provide tools and resources we need to do our jobs efficiently and effectively.”

**Keesha Trim**  
Senior Director Risk Management & Insurance, University of Richmond

## Online Training

*Beneficial For: Compliance, Risk Management, Human Resources, Student Affairs, Campus Security, and Other Risk-Focused Roles*

Effective risk management requires support from the entire community. Address the distinct issues your college or university faces with our library of online courses for students and employees. Educate learners on how to prevent and respond to issues such as:

**Data Security**

**Student Mental Health**

**Title IX**

**Workplace Harassment Prevention**

Based on actual incidents, our courses are Section 508/WCAG compliant, compatible with all devices, and can be accessed through a state-of-the-art learning management system that can be customized for your institution. An option to host courses on your own platform is available.
