

Risk Management Premium Credit:

How the Group Member Program Works

80% of all group members must complete the RMPC for the entire group to earn up to 4% credit.

Begin the RMPC Program

About two weeks after your renewal, each group member's primary insurance contact receives an invitation to begin the RMPC program. Login to My UE and access your RMPC tab.

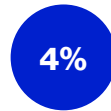

Select a Risk Mitigation

Each group member clicks the "Submit Kickoff Form" link on their RMPC tab in My UE to complete the Top Risks Survey and to select a risk mitigation to implement [from this list](#).

Mitigate Risk

Each group member implements the risk mitigation they selected in their Kickoff Forms.

Earn Up to 4% Credit

Each group member uploads documents that demonstrate completion of their risk mitigation activity before the final deadline.

If you're unable to access your institution's RMPC tab, would like support for your risk mitigation efforts, or have other questions, you can reach UE's Risk Management team at risk@ue.org.
