

Risk Management Premium Credit:

How the RMPC Research Partners Program Works

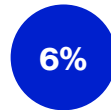

Begin the RMPC Program

About two weeks after your renewal, your institution's primary insurance contact receives an invitation to begin the RMPC program. Login to My UE to access your RMPC tab.

Register for a Focus Group

Use the link on your RMPC tab in My UE to complete a short Top Risks Survey and select a focus group that interests your college or university to attend. You may designate who will attend from your institution and reschedule as needed. All invited focus group participants represent research-intensive universities, so you will be among like-minded peers.

Attend a Focus Group and Earn Up to 6%

Participate in a focus group to help inform future UE resources on leading liability risks and earn up to 6% credit for your university.

If you're unable to access your institution's RMPC tab, would like support on your risk mitigation efforts, or have other questions, you can reach UE's Risk Management team at risk@ue.org.
