

2021-22 Risk Management Premium Credit:

How the RMPC Research Partners Program Works

Highlights in This Year's Risk Management Premium Credit (RMPC) Program

The RMPC Research Partners program is an invitation-only experience for **a diverse set of research universities with the most advanced risk management programs and complex risks.**

Participate in a focus group about one of the most acute liability risks in education to earn a 6% credit on your upcoming renewal. There are no surveys or contact updates in this year's RMPC program.

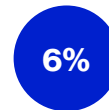

Begin the RMPC Program

Your institution's primary UE insurance contact receives an invitation with a link to your RMPC dashboard following your policy renewal.

Register for a Focus Group

Select a focus group that interests your university and fits into your schedule. You may designate who will attend from your university and reschedule as needed.

Attend a Focus Group and Earn 6%

Participate in a focus group to help inform future UE resources on leading liability risks and earn a 6% credit for your university.

If you are unable to access your institution's RMPC dashboard, would like support on your risk mitigation efforts, or have other questions, you can reach UE's Risk Management team at risk@ue.org.
