

# Comprehensive Coverage Tailored for Educational Institutions

*United Educators (UE) is committed to providing coverage for risks other insurance carriers limit or avoid, such as traumatic brain injury and sexual misconduct. As partners with our members, we continue offering coverage at significantly high limits despite fluctuations in the commercial insurance market.*

## Benefits of Being Insured by UE

**Seamless coverage** is an added endorsement that provides coordinated coverage for hybrid claims — incidents that result in allegations that trigger claims in both an ELL and GL policy.

**ProResponse**® crisis response benefit is a supplemental program available to qualifying K-12 and higher education members with UE's ELL and GL coverage and to public school districts with our PSL and SBL coverage.

**An extensive risk management library and personalized advisory services** are available to our members. Resources including online training, claims studies, and webinars report on topics such as sexual assault prevention and response, concussion management, and study abroad.

**Risk Management Premium Credit (RMPC) program** enables eligible members carrying an ELL or GL policy to earn a credit toward their premium by participating in specific risk management activities.

## Thoughtful Claims Handling

When claims occur, you can rely on us for effective claims resolution. We designed our Cool Head, Warm Heart® approach to address both the claimant's personal and emotional concerns and your institution's financial needs.
