

THE VALUE OF RISK MANAGEMENT

United Educators (UE) members have access to hundreds of education-specific resources to help address specific risk management issues. Analysis of decades of claims, personal on-campus experiences, and focused surveys inform our targeted resources. Many members report cost savings by relying on our EduRisk resources.

**Is your institution maximizing the value of your UE membership?
Consider the potential financial impact of doing so.**

ONLINE LEARNING

- Nearly 40 online courses to support compliance and campus wellness
- Option for customization (small added fee)

RESEARCH AND TOOLS

- **Claims Studies** – analysis of claims related to hot topics, such as sexual abuse and mental health
- **Checklists** – practical checklists to guide risk management efforts in areas such as event and concussion management
- **Large Loss Reports** – reflections on the year’s largest losses
- **Bulletins** – timely pieces sharing insights on emerging risks and complex issues

ON-DEMAND RISK MANAGEMENT CONSULTING

- Use risk@ue.org for risk advice needs any time
- Find out what other schools are doing, work through an issue, or understand key considerations for addressing specific situations
- Work on the Risk Management Premium Credit program, earning up to 6% in premium reduction while receiving personalized consulting on a specific risk

WEBINARS

- Hour-long sessions with experts
